Dear Student at SDU.
I hope that you will use a few moments to answer this questionnaire in order for us to improve your study environment.

Your answer will be included in the University of Southern Denmark Study and Educational Environment Assessment 2010.
This survey is a follow-up to the general survey that SDU sent to all students by e-mail in February.

Best regards,
Merete Skov Habermann
Project Manager, Health & Safety Consultant

1) Background information

Date of answer: _____ Time of answer (xx:xx):_____ Room number: _____

2) How often do you use the classroom?

❑ Every day ❑ Several times a week ❑ Several times a month ❑ Rarer
