Ph.d.-forsvar

Cand.scient Christina Wegeberg

forsvarer afhandlingen:

Biomimetic metal-mediated reactivity

I forbindelse med forsvarshandlingen holder Christina Wegeberg en forelæsning over emnet:

Generation of Mononuclear Non-Heme Iron-based Oxidants

Forsvarsdato: 14. januar 2019 Forsvarstidspunkt: 14:00

Forsvarssted: D-IAS Seminar Room (Ø18-509-1)

Hovedvejleder: Christine McKenzie, FKF, SDU

Bedømmelsesudvalg: Vickie McKee, FKF, SDU
David Waite, School of Civil Environmental Engineering, University of New South Wales, AUS
Marcel Swart, Institut de Química Computacional i Catàlisi, Spain.
Edwin Otten, Stratingh Institute for Chemistry, Univ. of Groningen, NL
