

# Ph.d.-forsvar

**Sandra Fernández Gallego**

Functional lipidomics: charting the functional role of acyl-CoA within the framework of global lipid metabolism

**25. april 2016 kl. 13.30**  
**i BMB's seminarrum**

**Ph.d.-afhandling**

*Functional lipidomics: charting the functional role of acyl-CoA within the framework of global lipid metabolism*

**Bedømmelsesudvalg**

Lektor Jonathan R. Brewer (formand), BMB

Professor Rosalind Coleman  
Department of Nutrition  
University of North Carolina, US

Kim Ekroos, PhD  
Chief Technology Officer  
Zora Biosciences Oy, Finland

**Vejledere**

Lektor Christer Ejsing, BMB  
Professor Nils J. Færgeman, BMB
