

2022 Danish Historical Political Economy Workshop

The first Danish Historical Economy Workshop will be held Thursday the 17th of February 2022 at the University of Southern Denmark (SDU).

The goal of the workshop is to give scholars at all levels an opportunity to present ongoing work within historical political economy, meaning social-scientific research concerning political and/or economic topics in a historical context. We hope that this will become an ongoing yearly event.

We very much welcome submissions from both political science, economics, sociology, history and other related fields.

The workshop itself will be held from 11:00 AM to 17:30 on the 17th of February 2022 at SDU's conference facilities at Odense Adelige Jomfrukloster in the center of Odense, Denmark.

If you want to present a paper at the workshop send an email with the name and abstract of the paper to Lasse Aaskoven aaskoven@sam.sdu.dk before December 31th 2021.
