

International Family Day – Easter Egg Hunt – Skolehaven Falen

Looking forward to spring? Let's kick start spring together by hunting for the eggs of the Easter Bunny in the most beautiful school garden of Odense on Saturday March 19th. Bring along a picnic and some freshly hard-boiled eggs, we will take care of the rest.

Besides different Easter activities there will also be information on the planned gardening activities for international children in this school garden, and the possibility to sign up for them. These gardening activities will be organized by Susan Urbanus in cooperation with Skolehaven Falen, International Community Odense, and the International Parent Group. Susan is a biologist from the Netherlands with experience in teaching biology to children, and she recently became a garden ambassador for the Danish Praktisk Økologi association.
