SDU International Club newsletter March

Fireside chat, presents Shristi Sharma a passionate fighter against e-waste 1st of March at 7pm

Shristi will provide us with first-hand information from latest research and her hands-on experience at Odense Renovation & Remida Center Odense.

E-Waste: The global cost of discarded electronics

Roughly 90 million metric tons of electronic waste (e-waste) are produced globally each year. About 15 percent of it is recycled in developing countries. E-Waste is a global environmental and health issue, for example because wind patterns disperse toxic particles released by open-air burning across countries. In this way, toxic chemicals from e-waste enter the "soil-crop-food pathway".

Veggie dinner - Swabian Edition 8th of March at 6pm

This month the SDU Veggie Dinner follows Katharina on a culinary trip back to her roots, the southern German region called Swabia. Swabian cuisine is simple but savoury, and rich in taste. Popular dishes are Cheese Spaetzle or Maultaschen, but there is much more to tease your tastebuds. Katharina will relish a little selection of Swabian culinary delights for you.
