### •IC around Odense ... Free!

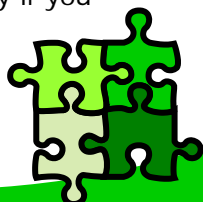

- Walk in the footsteps of Hans Christian Andersen and much more!
- Would you like to get to know the city that you live in a little better?
- The SDU IC invites you to take part in our guided tour of Odense! An English speaking guide will lead the group.
- We will walk around and see many of the important sights, starting with the City Hall. Along the river we will hear stories about the life of Hans Christian Andersen. We will enjoy a typical Danish lunch with a beer and make it all the way to Bazar Fyn, an exotic food market. *Continued on page 2*

"We do not grow absolutely, chronologically. We grow sometimes in one dimension, and not in another; unevenly. We grow partially. We are relative. We are mature in one realm, childish in another. The past, present, and future mingle and pull us backward, forward, or fix us in the present. We are made up of layers, cells, constellations."  
— Anais Nin

And then after the quotes pass and the words quiet down ... I wonder ... how does the time flow and where do we find the peace. Where do these quotes get an echo and get to be understood. And then ... in the very little moment, in the very simple glimpse of time that doesn't even exist or happen a lot to people, I know, that lifetime happiness takes more than a breath, but only if you deserve it ...

Come and join us for this wonderful tour of the city! (Let's hope for nice weather)
