

# November Calendar

"Our youth now love luxury. They have bad manners, contempt for authority; they show disrespect for their elders and love chatter in place of exercise; they no longer rise when elders enter the room; they contradict their parents, chatter before company; gobble up their food and tyrannize their teachers."

*Socrates*

## Another 100 people...

Another hundred people just got off of the train  
And came up through the ground,  
While another hundred people just got off of the bus  
And are looking around  
At another hundred people who got off of the plane  
And are looking at us  
Who got off of the train  
And the plane and the bus  
Maybe yesterday.

It's a city of strangers,  
Some come to work, some to play.  
A city of strangers,  
Some come to stare, some to stay.  
And every day  
The ones who stay  
Can find each other in the crowded streets and the guarded parks,  
By the rusty fountains and the dusty trees with the battered barks,  
And they walk together past upholstered walls with the crude remarks.  
And they meet at parties through the friends of friends who they never know.  
"Do I pick you up or do I meet you there or shall we let it go?"  
"Did you get my message? 'Cause I looked in vain."  
"Can we see each other Tuesday if it doesn't rain?"  
"Look, I'll call you in the morning or my service will explain."  
And another hundred people just got off of the train.
