

# September Calendar

"The two most important days in your life are the day you are born and the day you find out why."

**Samuel Langhorne Clemens** (November 30, 1835 – April 21, 1910), better known by his pen name **Mark Twain**, was an American author and humorist. He wrote *The Adventures of Tom Sawyer* (1876) and its sequel, *Adventures of Huckleberry Finn* (1885), the latter often called "the Great American Novel".

# Notes to Self II

*"You have to be an artist and a madman, a creature of infinite melancholy, with a bubble of hot poison in your loins and a super-voluptuous flame aglow in your subtle spine (oh, how you have to cringe and hide!), in order to discern at once, by ineffable signs—the slightly feline outline of a cheekbone, the slenderness of a downy limb, and other indices which despair and shame and tears of tenderness forbid me to tabulate—the deadly little demon among the wholesome children; she stands unrecognized by them and unconscious herself of her fantastic power."  
~ Lolita, V. Nabokov*

***Peruvian superfoods event &  
Products demonstration***

Because of its microclimates and diverse topography, Peru is home to thousands of foods found nowhere else on the planet, many of which are staggering in their content of potent nutrients. These foods fit into the new class of ingredients dubbed "superfoods".

What are superfoods?

How can you include them in a smart diet?

How can you help to prevent deforestation and support fair trade for farmers in a real way?

To get answers to these questions and more, join us **at Dannebrogsgade 1, Odense 5000**, and get valuable information about superfoods from Peru in Denmark.
