SDU International Club Trip to the North of Zealand

Come and join your IC friends on our next trip!

We'll visit Northern Zealand on 12-13 September 2015. Sign up now for this exciting weekend trip! We'll be visiting some of the most beautiful castles in Denmark, including Kronborg Slot (Castle) – the inspiration for Shakespeare's famous play, Hamlet. We will experience the spectacular natural landscape of Zealand and stay at a hostel close to the seaside and forest. Great art will be a part of our trip too. See the attached trip itinerary. The price for the trip is only 980 Kr. per person. This includes accommodation at the hostel (in rooms for 4 people), two-course buffet dinner, breakfast, lunch and admission fees to the different sights. All you need to pay for during the trip are drinks. Bring your own lunch for the first day.

So, hurry up and grab your place on the coach.

You can pay here: <http://webpay.sdu.dk/system/zealand>

Please make payment no later than 7th September, and the sooner the better, as there are limited places!

For further information, please do not hesitate to contact Annika at: jarl@sdu.dk

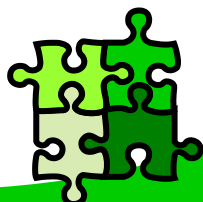

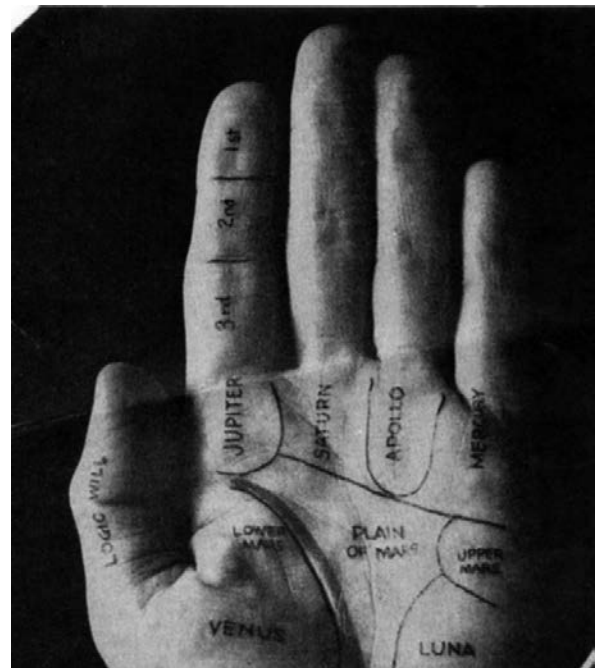

We look forward to spending the weekend with you!

..secrets make us stronger?..

What we hunger for perhaps more than anything else is to be known in our full humanness, and yet that is often just what we also fear more than anything else. It is important to tell at least from time to time the secret of who we truly and fully are . . . because otherwise we run the risk of losing track of who we truly and fully are and little by little come to accept instead the highly edited version which we put forth in hope that the world will find it more acceptable than the real thing. It is important to tell our secrets too because it makes it easier . . . for other people to tell us a secret or two of their own . . .

Intercultural workshop: Danish Culture and Cultural Shock

The International Community Odense & **SDU International Staff Office** invite you to a workshop on cultural differences and how to handle them. Entering a foreign culture can be difficult, frustrating and draining. Regardless of our background and our life experience, we all experience what is often referred to as 'culture shock'. With all cultures being unique and different, what exactly is Danish culture? At this workshop we will cover a wide range of topics, such as communication styles, behaviours, values, working life and social norms. The workshop includes the topic of culture shock, how to work your way out of it and ensure a successful integration into Denmark.
