

Engineering programmes	Category														
	Architecture & Construction	Biology, Biotech & Biochemistry	Business , Strategy & Innovation	Electro-technology	IT & software	Chemistry	Climate, Environment & Sustainability	Creative & design	Mechanics & Robotics	Mathematics & Phycis	Medicine & Health	Oil, Gas & Energy	Operations	Supply Chain & logistics	Education & Training
Bachelor & MSc in Engineering															
Electronics				⊗											
Energy Technology				⊗							⊗				
Physics and Technology									⊗						
Engineering, Innovation and Business			⊗												
Chemistry and Biotechnology		⊗				⊗									
Structural Engineering*	⊗							⊗							
Game Development and Learning Technology					⊗			⊗							⊗
Mechatronics				⊗				⊗							
Environmental Engineering*						⊗									
Operations Management*												⊗	⊗		
Product Development and Innovation			⊗					⊗							
Robot Systems								⊗							
Software Engineering					⊗										
Welfare Technology								⊗		⊗					
Bachelor of Engineering															
Civil Engineering	⊗														
Electronics				⊗											
Electrical Energy Technology				⊗							⊗				
Global Management and Manufacturing												⊗	⊗		
Integreted Design			⊗					⊗	⊗						
Chemical Engineering		⊗				⊗									
Mechanical Engineering								⊗							
Mechatronics				⊗				⊗							
Manufacturing Engineering and Management												⊗	⊗		
Robot Systems								⊗							
Software Technology					⊗										

* Only Master of Science in Engineering

* Only Master of Science in Engineering

Ingeniøruddannelser	Kategorier														
	Arkitektur og konstruktion	Biologi, bioteknologi og biokemi	Business, strategi og innovation	Elektroteknologi	IT og software	Kemi	Klima, miljø & bæredygtighed	Kreative & design	Maskin- og robotteknologi	Matematik & fysik	Medicin & Sundhed	Olie, gas & energi	Projekt og drift	Supply chain og logistik	Uddannelse og træning
Civilingeniør Bachelor og Kandidat															
Electronics				⊗											
Energiteknologi				⊗							⊗				
Fysik og teknologi									⊗						
Engineering, Innovation and Business			⊗												
Kemi og Bioteknologi		⊗				⊗									
Konstruktionsteknik*	⊗							⊗							
Spiludvikling og læringsteknologi					⊗			⊗							⊗
Mechatronics				⊗				⊗							
Miljøteknik*						⊗									
Operations Management*												⊗	⊗		
Product Development and Innovation			⊗					⊗							
Robotteknologi								⊗							
Software Engineering					⊗										
Velfærdsteknologi								⊗		⊗					
Diplomingeniør															
Bygningsteknik	⊗														
Elektronik				⊗											
Elektrisk Energiteknologi				⊗							⊗				
Global Management and Manufacturing												⊗	⊗		
Integreret Design			⊗					⊗	⊗						
Kemi- og Bioteknologi		⊗				⊗									
Maskinteknik								⊗							
Mechatronics				⊗				⊗							
Produktion												⊗	⊗		
Robotteknologi								⊗							
Softwareteknologi					⊗										

* Alene kandidatuddannelse
