Go to the website <https://jobbank.sdu.dk/for-employers>

Press "Log in" – Press "Employer Login" and enter your E-mail and Password.

Notifications:

If you have chosen to receive and respond to applications through Graduateland, you will, when there are new applications, receive a notification at the email address you have provided.

Note: The match score depends on whether the student has a well-filled profile with competencies - and that you have a well-filled competency profile in your notice.

We have an applicant for you

We are happy to inform you that we have an applicant for your job position, [Studenterhjælp](#) that was uploaded to the Graduateland Network via SDU Jobbank.

Jobs

Here you can follow your posts - see how many times the post has been shown and the numbers of applicants for the post. You can also see which posts you have submitted to Graduateland (pending), Drafts, Declined and Expired.

Below you can see a company that has three posts online.

The screenshot shows the 'Jobs and projects' section of the GRADUATELAND Recruiter interface. The 'Jobs' menu item in the left sidebar is circled in red. The main content area displays a table of projects with the following data:

Titel og land	Opstartsdato	Løbsdato	Visninger	Ansøgere	Matchede profiler
Projekt for LOF om markedsføring og... - Gratis Slagelse, Danmark	22. november 2018	22. november 2019	70	0	+5
Projekt: Hvordan skal virksomheder og... - Gratis Sorø, Danmark	5. oktober 2018	5. oktober 2019	4.526	0	+4
Projekt: Hvordan skal STIHL... - Gratis Brøndby, Danmark	12. september 2018	12. september 2019	2.799	3	+3

The gear icon next to the third project is circled in red.

Statistics:

When you click on the gear next to the post, you get access to a lot of static about your post. There is a lot of exciting information about the number of views / applications as well as demographic statistics based on unique users. Everything can make you wiser about whether you hit the right target audience.

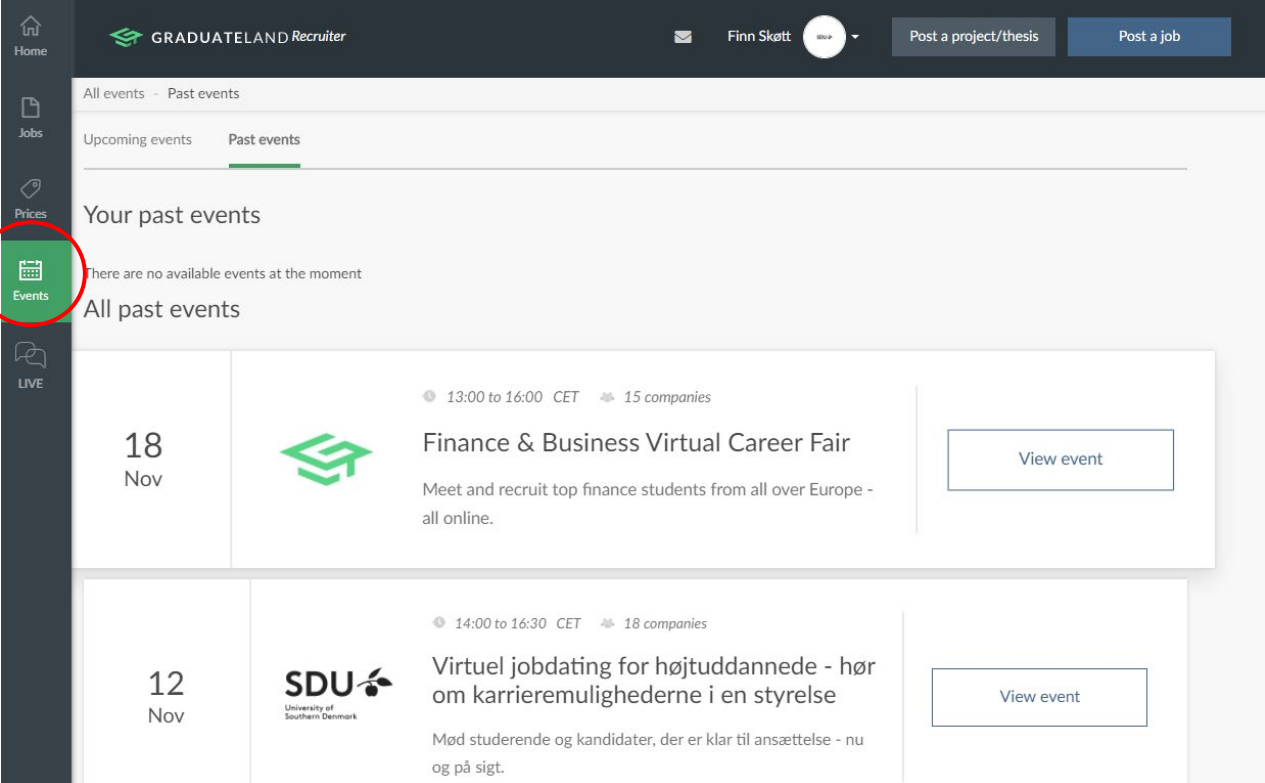

The screenshot shows the 'Statistics' page for a job post. The 'Overview' section displays the following data:

Views	Logged in users	Unlogged users	Applications
118 Views	48 Views	70 Views	0 Clicks

The graph shows the number of views and applications over time, with a legend for 'Views' and 'Applications'.

EVENTS

Here you can see which events have been arranged and who is organizing the events. You are welcome - as a company - to participate in all the events you want, even if SDU does not host. You can also create and organize events yourself - as a purchase service. Contact Graduateland via chat, email or phone if you want to use the possibility.

All past events

18 Nov	 <p>13:00 to 16:00 CET 15 companies</p> <p>Finance & Business Virtual Career Fair</p> <p>Meet and recruit top finance students from all over Europe - all online.</p> <p>View event</p>
12 Nov	 <p>14:00 to 16:30 CET 18 companies</p> <p>Virtuel jobdating for højtuddannede - hør om karrieremulighederne i en styrelse</p> <p>Mød studerende og kandidater, der er klar til ansættelse - nu og på sigt.</p> <p>View event</p>

LIVE

Live is a purchase service that becomes available to you as soon as you have an online post. Here you can among other things sort the candidates according to your specific requirements, write to and live chat with students, etc.

The screenshot shows the Graduateland Recruiter dashboard. A red circle highlights the 'LIVE' button in the left sidebar. A modal dialog box is open in the center, displaying the following text:

Graduateland LIVE access needed

Unfortunately, you don't have access to sourcing, chatting, statistics and more.

Contact us for access to Graduateland LIVE.

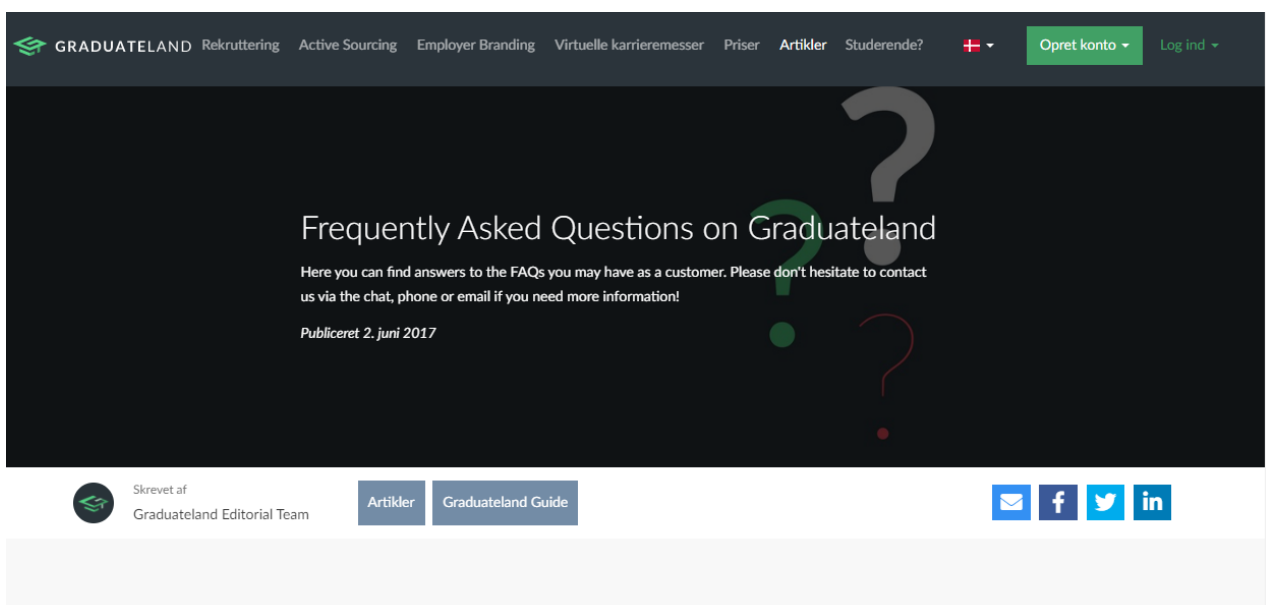

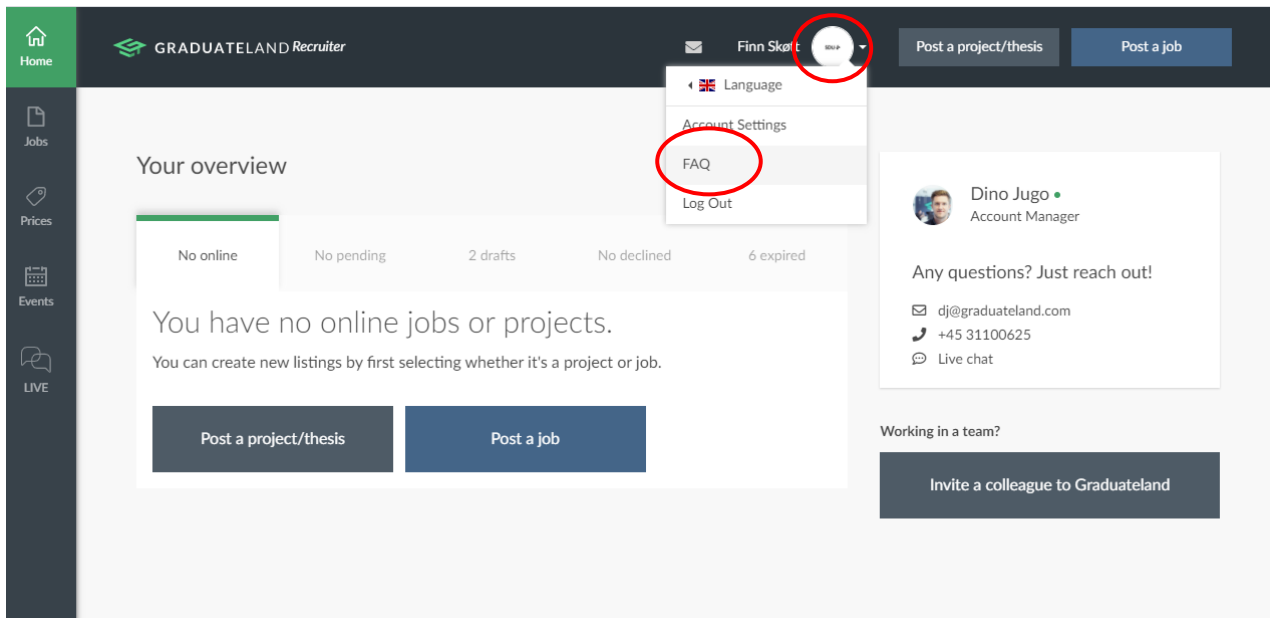

[Please contact me](#)

The background interface includes a top navigation bar with 'Home', 'Jobs', 'Prices', and 'Events' icons. The main content area shows 'Engagement the last 7 days' with a large number '256' and 'CANDIDATES ONLINE'. Below this, there are statistics for 'NEW FOLLOWERS' (7,634) and 'VISITED YOUR EMPLOYER PROFILE' (2,435). A 'Who are these talents?' section contains two charts: 'DEGREE LEVELS' (a donut chart with 46.6% highlighted) and 'DEGREE MAJORS' (a horizontal bar chart).

Major	Count
Business Administration	36
Marketing	17
Political Sciences	12
Computer Science	10
Economics	9

How to make a better post

Graduateland has prepared a number of Guides and articles that can assist you in getting in touch with the students. Find FAQ by your Account.

Here you will find both ARTICLES about recruitment issues, information about LIVE (Active Sourcing and Employer Branding), EVENTS (Employer Branding and Virtual Career Fairs) and EMPLOYER BRAND (so that students and graduates can read up on your company). Note LIVE, EVENTS and EMPLOYER BRANDING are payment services from Graduateland.
