

Online Master Class Marie Skłodowska Curie IF

University of Southern Denmark, SDU

The Master Class will help you understand the specifics of writing this Career Development Grant. With the expertise of an external expert and SDU research support in pre-submission review, supervision and evaluation of Marie Curie IF grants we will get you started and help you in the process of submitting the grant.

Program Day 1 – 6 th of May		
Time	Program	Who
13:00-13:15	Welcome and introduction	Sebastian Mernild, Pro-rector of SDU
13.15-13:30	Introduction of Research Support	Lone, Karla, Line, Marlene, Philip
13:30-16:00 (including breaks and Q&A)	Writing an effective MSCA IF grant Call 2020 – How to do it and what needs to be included? Webinar 1: Covers the basic concepts behind the different sections (Excellence, Impact and Implementation) of the template that need to be understood before writing the proposal.	Lotte Jaspers, founder and consultant Yellow Research
	End of Day 1	

NB. After day 1 you will have access to 18 Video Tutorials (4h in total) that explain per section (Excellence, Impact and Implementation) of the template what is expected and how to approach this in order to meet the reviewers' expectations.
