

Teaching Portfolio in PU:RE

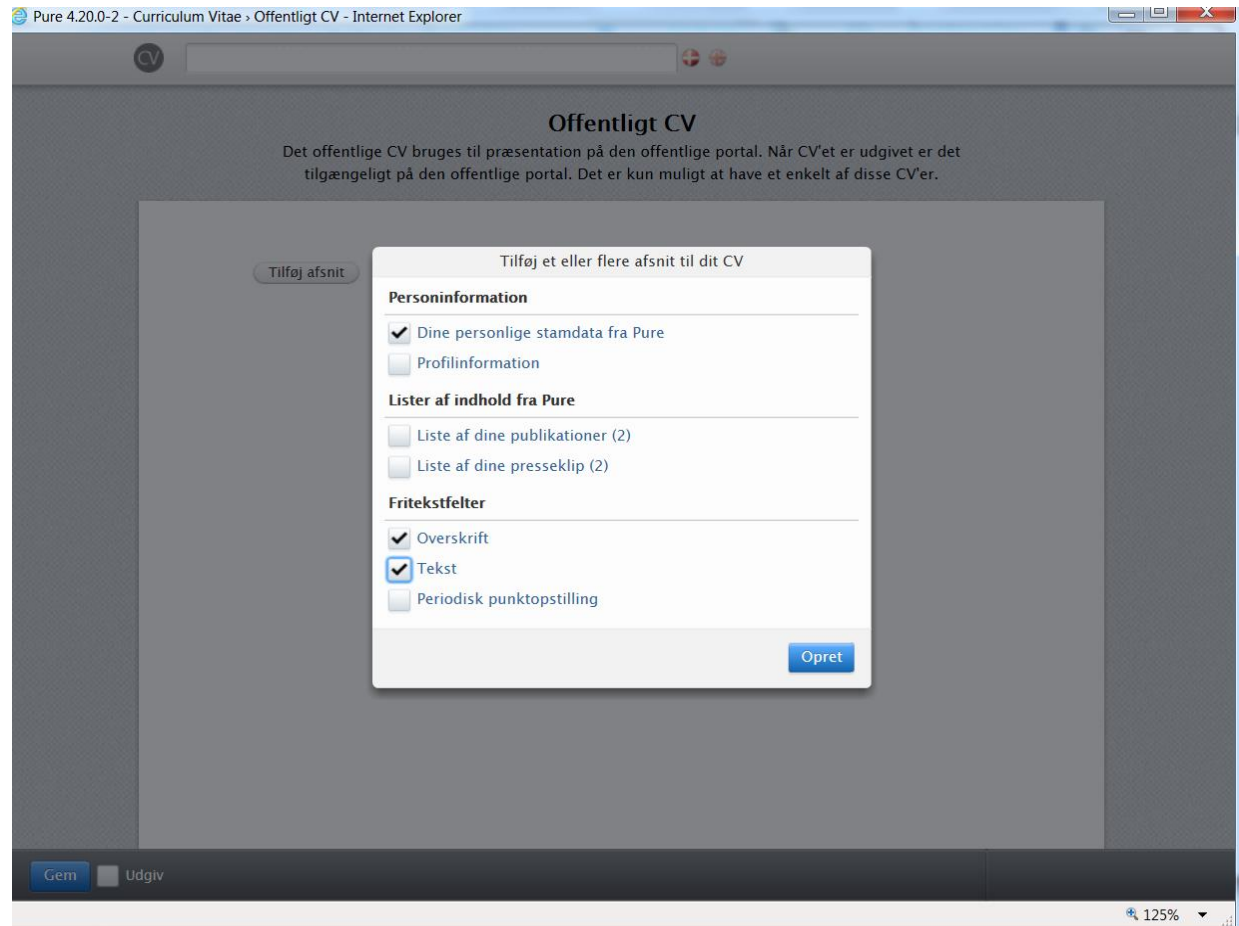

Teaching portfolio is constructed just like a regular public CV ("Offentligt CV") in PU:RE.

Remember to work from *Internet Explorer* or *Firefox*, since other browsers do not integrate properly with PU:RE.

Personal data ("De personlige stamdata") comprise such data as organizational affiliation, e-mail a.s.o.

If you have authored or co-authored papers concerning educational activities, these can be brought in to the teaching portfolio as well, just as in a regular CV.
