Komal Kumari Mandal

T cell receptor signaling elucidated by mass spectrometry-based PTMomics

June 11th, 2020 at 1.30 pm

Online – please contact Professor Martin Røssel Larsen mrl@bmb.sdu.dk to be invited

Ph.D. thesis

*Characterization of the dynamic T-cell receptor signaling pathway
using proteomics and PTMomics*

Assessment committee

Professor Blagoy Blagoev (chairman)
Department of Department of Biochemistry and Molecular Biology, University of Southern Denmark

Associate Professor Giuseppe Palmisano, University of São Paulo

Associate Professor Vasileios Bekiaris, Technical University of Denmark

Supervisor

Professor Martin Røssel Larsen, Department of Biochemistry and Molecular Biology,
University of Southern Denmark
