

# Ph.d.-forsvar

**Inga Boll**

Characterisation of signalling in nerve terminals

**6. marts 2020 kl. 14.15  
i lokale U20**

**Ph.d.-afhandling**

*Identification of novel PTM signalling mechanisms in the active zone of nerve terminals*

**Bedømmelsesudvalg**

Lektor Finn Kirpekar (formand), BMB, SDU

Associate Professor Giuseppe Palmisano

Department of Parasitology

Institute of Biomedical Sciences

University of Sao Paulo

Brazil

Associate Professor Lasse Kristoffer Bak

Department of Drug Design and Pharmacology

Molecular and Cellular Pharmacology

University of Copenhagen

Denmark

**Vejleder**

Professor Martin Røssel Larsen, BMB, SDU
