Ph.D. thesis

*”Regulation of *Caulobacter crescentus* cell-Cycle and DNA damage response by Toxin-Antitoxin system”*

Assessment committee

Associate Professor Mikkel Girke Jørgensen (chairman), Department of Biochemistry and Molecular Biology, University of Southern Denmark

Associate Professor Ditlev Egeskov Brodersen, Department of Molecular Biology and Genetics - Structural Biology, University of Aarhus

Ph.D, CNRS Research Director Pierre Genevaux, Université de Toulouse/CNRS

Supervisor

Associate Professor Clare Kirkpatrick, Department of Biochemistry and Molecular Biology, University of Southern Denmark
