

Ph.D.-defense

Pernille Kronholm Rasmussen

“Evolutionary conservation of ribosomal RNA modifications”

March 2, 2021 at 2 pm

Online at Zoom – please contact chairman Professor Birgitte H. Kallipolitis
by e-mail bhk@bmb.sdu.dk to be invited.

Ph.D. thesis

“Investigating the functions of phylogenetically conserved ribosomal RNA modifications”

Assessment committee

Professor Birgitte H. Kallipolitis (chairman), Department of Biochemistry and Molecular Biology,
University of Southern Denmark

Professor Håvard Jenssen, Institut for Naturvidenskab og Miljø, RUC.

Associate professor Gerwald Jogl, Brown University; Rhode Island, USA

Supervisor

Associate professor Finn Kirpekar, Department of Biochemistry and Molecular Biology,
University of Southern Denmark
