

Danish Proteomics Society
DAPSOC 2023 Symposium
Tuesday, December 5, 2023, 9:00 – 17:00
University of Southern Denmark
Auditorium O100 (main entrance)

PROGRAM

- 9:00 – 10:00 Registration, Exhibition, Coffee/Tea and Rolls
- 10:00 Welcome address by Ole Nørregaard Jensen, Univ. Southern Denmark (SDU), DK
- 10:15 **Stefan Tenzer**, Johannes Gutenberg Universität Mainz, D
Maximizing information content in data-independent acquisition using media-PASEF
- 11:05 **Chiara Francavilla**, Technical Univ. of Denmark (DTU), DK
Cell signaling proteomics
- 11:40 **Nicolai Palstrøm**, SDU/OUH Center for Clinical Proteomics, DK
Plasma protein biomarkers for abdominal aortic aneurysms by model-assisted mass spectrometry-based proteomics
- 12:00 Exhibition, Posters, sandwiches, and refreshments
- 13:30 **Jesper V. Olsen**, NNF Center for Protein Research, University of Copenhagen (KU), DK
High-sensitivity large-scale proteomics
- 14:05 **Andreas A. Thomsen**, Univ. Southern Denmark (SDU), DK
Stratification of renal cancer tumors by mass spectrometry imaging and microproteomics
- 14:25 **Konstantinos Kalogeropoulos**, Technical University of Denmark (DTU), DK
Protease systems biology with degradomics workflows
- 14:45 Exhibition, Posters, Coffee/Tea and Cake
- 15:30 **Martin Overgaard**, OUH Dept. Clinical Biochemistry, DK
Targeted Proteomics in Biomarker Development and Clinical Diagnostics
- 16:05 **Tue Bjerg Bennike**, Aalborg University Hospital (AaUH), DK
Large scale proteomics of biofluids
- 16:25 **Juri Rappsilber**, Technische Universität Berlin, D
Studying protein complexes in vivo by cross-linking proteomics and deep learning
- 17:00 Final discussions and closing
- 17:30 Reception and dinner (for registered participants)

Registration

Symposium registration fee: DKK 100 per person.

Reception and dinner incl. drinks: DKK 280 pr. person.

Online registration and payment (all prices are excl. tax): <https://event.sdu.dk/dapsoc2023/signup>

Registration deadline: November 28, 2023.
