

Ph.d.-forsvar – Ann-Britt Marcher

Adipose tissue and the regulation of energy metabolism

**1. oktober 2015 kl. 14.00
i BMB's seminarrum**

Ph.d.-afhandling

The function of Acyl-CoA binding protein in metabolic homeostasis in mice

Bedømmelsesudvalg

Professor Brage S. Andresen (formand), BMB

Professor Kalervo Hiltunen
Department of Biochemistry
University of Oulu
Finland

Professor James G. Granneman
University Health Center
Detroit, USA

Vejleder

Professor Susanne Mandrup, BMB
