

PhD defence

Ann-Sofie Bøgh Brier

“Epigenetic control of adipogenesis”

Time: 8 June 2018 at 13.00

Place: BMB seminar room

Title of PhD thesis:

Transcriptional regulation of adipocyte differentiation and thermogenic capacity

Members of the assessment committee:

Associate Professor Lars Grøntved (chairman), BMB

Associate professor Eric Kalkhoven
University Medical Center Utrecht
Department of Molecular Cancer Research
The Netherlands

Professor Bo Torben Porse
Department of Clinical Medicine
University of Copenhagen

Supervisor

Professor Susanne Mandrup, BMB
