

# Ph.d.-forsvar

**Eva Bang Harvald**

Longitudinal proteomic characterization of starved nematodes  
and phosphoproteomic definition of autophagyactivated cells

**14. december 2017 kl. 14.00**  
**i BMB's seminarrum**

**Ph.d.-afhandling**

*Systems-wide analyses of starvation responses in metazoans*

**Bedømmelsesudvalg**

Lektor Lars Grøntved (formand), BMB

PhD Amy Walker

Program in Molecular Medicine

University of Massachusetts Medical School

PhD Louis R. Lapierre

Department of Molecular Biology, Cell Biology and Biochemistry

Brown University

**Vejleder**

Professor Nils J. Færgeman, BMB
