

# Ph.d.-forsvar

**Isabel Forss**

Transcriptional regulation of lineage determination and  
differentiation of adipocytes

**5. december 2017 kl. 13.00**  
**i BMB's seminarrum**

**Ph.d.-afhandling**

*Transcriptional networks involved in lineage determination  
and differentiation of brown adipocytes*

**Bedømmelsesudvalg**

Professor Nils J. Færgeman (formand), BMB

Group leader Bo Porse

Finsen Laboratory

Copenhagen University

Professor Christian Wolfrum

Department of Health Science and Technology

ETH Zürich

**Vejleder**

Professor Susanne Mandrup, BMB
