

Ph.d.-forsvar

Jesper Grud Skat Madsen

Genome-wide approaches for dissecting transcriptional
regulation of metabolic pathways

18. april 2016 kl. 14.00
i BMB's seminarrum

Ph.d.-afhandling

“The Role of ChREBP in β -cell Function and Dysfunction”

Bedømmelsesudvalg

Professor Nils J. Færgeman (formand), BMB

Professor Jorge Ferrer
Department of Medicine
Imperial Collage London, UK

Catherine Postic, PhD
Department of Endocrinology Metabolism and Cancer at the Cochin Institute
Université René Descartes, Paris, France

Vejleder

Professor Susanne Mandrup, BMB
