“Protein post translational modifications in mass spectrometry based biomarkers discovery studies”

24. august 2017 kl. 10.00
i BMB's seminarrum

Ph.d.-afhandling

Protein post translational modifications in mass spectrometry based biomarkers discovery studies

Bedømmelsesudvalg

Professor Lars Melholt Rasmussen (formand), Klinisk Biokemi, SDU

Director Jennifer Van Eyk
Advanced Clinical Biosystems Institute
Van Eyk Laboratory, Los Angeles, USA

Professor György Marko-Varga
Department of Biomedical Engineering
Lund University, Sweden

Vejleder

Professor Martin Røssel Larsen, BMB
