

Ph.d.-forsvar

Rasmus Linde Bang Elnegaard

The role of metals in protein chemistry

26. juni 2017 kl. 13.00
i BMB's seminarrum

Ph.d.-afhandling

Interfacing Metal Chemistry with Characterization and Formation of Posttranslational Modifications in Protein Chemistry

Bedømmelsesudvalg

Professor Peter Højrup (formand), BMB

Principal Scientist Kim F. Haselmann
Novo Nordisk A/S

Professor Andrew Pitt
School of Life and Health Sciences
Aston University

Vejleder

Professor Frank Kjeldsen, BMB
