

# PhD Defense

## Mads Sondrup Møller

Monday 28 August 2023 at 11am  
in IMADA Conference Room (Ø18-509-2)

In connection with the PhD defense the following lecture will take place:

## Activation of Dioxygen and Nitric Oxide by Transition Metal Materials

**Assessment committee:**

Professor Colette Boskovic  
School of Chemistry  
University of Melbourne

Professor Kasper Steen Pedersen  
Department of Chemistry  
DTU

**Chairman:**

Associate Professor Erik Donovan Hedegård  
Department of Physics, Chemistry and Pharmacy, SDU

**Supervisor:**

Professor Christine McKenzie  
Department of Physics, Chemistry and Pharmacy, SDU
