

Master Thesis defense

Sofie Gregersen

Monday 15 August 2016 at 15:30
in the CP³ meeting room

Title: **Forstå Gauge-teorier for fundamentale
vekselvirkninger og deres anvendelser i Beyond
Standard Model Physics**

***Understanding Gauge Theories of Fundamental
Interactions and their applications to Beyond
Standard Model Physics***

Supervisor **Francesco Sannino, CP3-Origins**
**Department of Physics, Chemistry and
Pharmacy, SDU**

Censor: **Kimmo Tuominen**
Department of Physics, University of Helsinki
