### Ad 1) Short messages by the head of department

Please see attached slides from the meeting.

### Ad 2) Follow up discussion on APV

Martin Svensson talked about the changes made since the last APV was completed 2 1/2 years ago.

### Ad 3) Mutual Information

No comments to this item.

### Ad 4) Information about the Linux environment by IT Service

Representatives from IT Service informed about the Linux support which from now on will be the same as for Mac and Windows. The four representatives from IT Service responsible for the Linux environment are: Longina Przybyszewska, Tobias Velds Volfing, Erik B. Madsen and Palle E. Nielsen. They are working on integrating the Linux system with the AD / user ID and the transfer of the Linux system to NFS4. Information about moving of files will be sent around to those affected. The transfer is expected to be completed by 1 July.

### Ad 5) Any other business

- Peter Schneider-Kamp (PSK) informed about a meeting he had been to regarding Horizon 2020 and Big Data. If anybody should be interested, they can contact PSK for further information.
