**Participants:** Stefan Jänicke (SJ), Birgit Debrabant (BD), Kristoffer Bargisen Rieck (KBR), Marie Rosenfeldt Zibrandtsen (MRZ)

### Topics

1. Approval of the agenda
2. Introduction of KBR's successor MRZ
3. Information from UKG
4. Information from the Study Board
5. Other topics

### 1 Approval of the agenda

- agenda approved
- BD takes notes, SJ consolidates minutes

### 2 Introduction of KBR's successor MRZ

- MRZ introduces herself (health profile, commuting from Kbh together with a group of 10 other students)
- MRZ will take over the position of KBR in the teaching committee and his function as DS-student helper (up to 6h per week, practically at the moment 2h per week)

### 3 Information from UKG

- Evaluation of service courses from IMADA to NAT - especially the courses from LSUL/FNUG: FNUG courses cannot be taken from DS-students (according to studieordning) - SJ will discuss with Luis
- ChatGPT: discussing policies how to integrate it into DS-courses; Richard and Peter demonstrate it into their teaching; We discuss whether it should be avoided in teaching, but MRZ underlines usefulness
- Upcoming soon: survey on student wellbeing. Last time students reported stress, insecurity
- Money efficiency of teaching - SJ gives an example with flipped classroom teaching for the visualization course
  - Do students have an idea which courses are suitable? Database-course could be more condensed.
  - MRZ: mentions the wish for seeing more R-code from the teacher in Multivariate Statistics
  - Human Informatics have online courses - students are happy about this.

### 4 Information from the Study Board

- SJ report that SDU now has published a "Declaration of academic freedom"

### 5 Other topics

- Feedback on TC Restructuring
  - mostly worked, minutes could be written and confirmed during the meeting
  - additional members for TC? Aritra will be on sabbatical next semester and is not available, PSK's role in the TC should be clarified
- TC discusses "open door policy" and the "15min breaks after 45min teaching in classes"
  - Students comment on breaks: Students prefer to have breaks - setup is typically course specific
- TC coordination group: Could there be a student representative - no regular student representative - possibility to invite students for special occasions
- Rediscuss- evaluation of the DS-degree: Gitte is on vacation now and leaves the position afterwards. The successor will start begin of June.
