

## IMADA Teaching Committee in Mathematics and Applied Mathematics

### Minutes

**Time and location:** Oct 6, 2023 (10:00-11:45) IMADA seminar room

**Participants:** Jing, Wojciech, Anders, Achim, Hans, Benjamin and Torin

**Guests:** Jens, Chunfang, Yuri, Birgit, Kristian, Claudio and Rago

Summary:

1. General Information
  - New model for supervision workload distribution
  - Information from study board and UKG
2. Development strategy for Applied Mathematics
  - Study program (potential of using 'statistical modelling' to substitute bioinformatics)
  - New Slogan 'Science, data and technology driven mathematics'.
  - New profile in Quantum computing (Benjamin and Claudio will discuss this in section)
