Promoting the network and its possibilities in order to recruit further institutional members 	<p>Exchange of:</p> <ul style="list-style-type: none"> •Students •Staff •Ideas <p>Within the area of:</p> <ul style="list-style-type: none"> •Sport Science •Physical Education

The network core

Examples: Relevant Partners

Focusing the NIN-effort 2014/15

Annual priorities 1-4(5?)

Installing new network group (NG): E.g. in Pedagogic

Developing & Implementing a joint IC: physical activity, health and well-being among children and youth

Nordplus-Idrott Seminars/Conference as a strategic stepping stones:
Implementing a structured Seminar/Conference follow-up strategy

Optimizing network information and dissemination activities: To ensure the best visibility of NIN activities and outcomes – targeting relevant stakeholders and the wider public. The ambition is to create further interest and awareness of Nordplus-Idrott.

Further recruitment of members?

New kid on the block

Intensive Course

Overall objective & content

Master level students

Research based knowledge on and specialized insight into the field of:
PA, health and wellbeing among children and youth (15 ECTS points)

Three weeks of subject related work on-site (Odense, Denmark).
Study activities preceding and following the on-site period.

15-20 professors and lecturers

Lecturing, facilitating seminars, chairing workshops and giving feedback on student presentations

Group discussions (25 minutes)

- How can **NIN** promote its activities?
- How do **NIN** collaborate with other partners in order to stimulate discussion and mutual action on prioritized goals and opportunities?
- Where do you think **NIN** can make a difference?
- Where should **NIN** focus its resources?
- **Feel free to integrate reports from your home institution**
