

OPTIMMUNIZE 2022

Optimizing the beneficial non-specific effects (NSEs) of vaccines

9 November 2022			10 November 2022			11 November 2022		
Time	Session type	Speakers	Time	Session type	Speakers	Time	Session type	Speakers
			9.00	Session 3: Using vaccine NSEs against COVID-19	Nigel Curtis	9.00	Session 6: Sex- and age-differences in immunity and response to vaccines	Sabra Klein
			9.15			9.15		
			9.30		TBA	9.30		Katie Flanagan
			9.45			9.45		
			10.00		Selected presentation	10.00		Selected presentation
			10.15		Discussion	10.15		Discussion
			10.30			10.30	Coffee break	
			10.45	Coffee break		10.45		
			11.00			11.00	Q/A from young researchers	
			11.15	Keynote: The non-specific immunologic mechanisms of vaccines (45 min + Q/A)	Bali Pulendran	11.15		
11.30	Registration and light lunch		11.30			11.30		
11.45			11.45			11.45		
12.00			12.00			12.00	Session 7: Policy implications, advocacy, and impact	Opening, setting the scene
12.15			12.15	Lunch		12.15		
12.30			12.30			12.30	Lunch	
12.45	Welcome and introductions	Dean Ole Skøtt	12.45			12.45		
13.00	Keynote opening speech: The evolution of vaccinology (30 min + Q/A)	Stanley Plotkin: The evolution of vaccinology	13.00			13.00		
13.15			13.15	Session 4: Immunological studies of NSEs – new studies since 2020	Carlos Martin	13.15	Session 7 (ct): Policy implications, advocacy, and impact	Ulla Griffiths - UNICEF, Ofer Levy - FDA
13.30			13.30		David Lynn	13.30		TBA
13.45	Session 1: Epidemiological studies of NSEs – new studies since 2020 - and what we learned about interactions between health interventions	Frank Shann: Status	13.45		Mihai Netea	13.45		
14.00			14.00			14.00		
14.15		Peter Aaby: Non-specific effects interactions	14.15			14.15		
14.30		Paul Welaga: OPV studies from Africa and Asia	14.30			14.30	Session 7 (ct): Can we start using vaccines for their NSEs now? If not, which studies are needed and who should do them?	Panel discussion
14.45			14.45			14.45		
15.00	Coffee break		15.00	Session 4 (ct):	TBA	15.00		
15.15			15.15			15.15		
15.30			15.30		Selected presentation	15.30		
15.45	Session 1 (ct)	Selected presentation	15.45		Selected presentation	15.45		
16.00		Discussion	16.00		Discussion			
16.15			16.15					
16.30	Session 2: Parental priming and pregnancy vaccination	Christine S. Benn	16.30	Coffee break				
16.45			16.45	Session 5: NSEs and non-communicable	Denise Faustman		Session type:	Speaker:
17.00		Selected presentation	17.00				Keynote	Confirmed speaker
17.15		Discussion	17.15		Selected presentation		Lunch	TBA
17.30			17.30		Discussion		Dinner	Selected from abstracts
17.45	18-19: Poster session with "lightning talks"		17.45	18-19: Poster session with "lightning talks"			Oral session	
18.00			18.00				Poster session	
19.00+	19: HC Andersen performance, Conference dinner	Welcome by DIAS director Marianne Holmer	19.00+	19.30: Dinner in town			Break	
							Discussion
