Adjunct Professor Dawn Stacey

Dawn Stacey RN PhD CON(C) holds a Research Chair in Knowledge Translation to Patients and is a Full Professor in the School of Nursing at the University of Ottawa. She is a Scientist at the Ottawa Hospital Research Institute where she is Director of the Patient Decision Aids Research Group. She is the principal-investigator for the Cochrane Review of Patient Decision Aids, co-chair of the Steering Committee for the International Patient Decision Aid Standards Collaboration (IPDAS), and co-investigator for the Cochrane Review of Interventions to Improve the Adoption of Shared Decision Making. Dawn Stacey is one of the most cited shared decision making researchers in the world.

After the seminar, a short virtual reception will be held.

The Faculty of Health Sciences would like to invite all interested persons to attend the virtual seminar and the following virtual reception.

If you wish to participate, we kindly ask you to register [here](#) no later than December 10, 2020.
