

## **RESEARCH SEMINAR IN EVIDENCE-BASED PSYCHIATRY**

### **'The use of AI in systematic reviews'**

Date: 10 October 2024 from 10.00 – 11.30 hrs

Venue: Online

An increased focus on high quality, evidence-based treatment in psychiatry is supported by the report in 2015 by the Ministry of Health, Ministry for Children, Gender Equality, Integration and Social Affairs (now Ministry of Social Affairs and Senior Citizens), and the Ministry of Higher Education and Science.

Region Zealand established the Center for Evidence-Based Psychiatry (CEBP) in 2018. The main objective of the center is to support and promote evidence-based practice in psychiatry by conducting systematic reviews and meta-analyses.

In this seminar, we will feature a presentation by Professor James Thomas, who will present on the use of AI in Systematic reviews. Professor James Thomas is Principal Investigator of the Evidence Reviews Facility for the Department of Health and Social Care, England.

The seminar is free of charge. Register your participation no later than October 1<sup>st</sup> to Louise Holm Nielsen at [loniels@regionsjaelland.dk](mailto:loniels@regionsjaelland.dk)

Chair: Professor Ole Jakob Storebø

#### **PROGRAM**

10.00 – 10.15 Introduction to Evidence-Based Psychiatry by Ole Jakob Storebø
