

## **Tentative Program, Arctic Marine Resource Governance, Oct 14-16, 2015**

Primary Organizers: Brooks A. Kaiser, Linda Fernandez, Niels Vestergaard

Location: CenterHotel Plaza, Aðalstræti 4 – 101 Reykjavík, Iceland

Day 1: Wednesday 14/10

### **9:00 AM Coffee, Registration, Welcome and Introductions**

Brooks Kaiser, Niels Vestergaard, Linda Fernandez

#### **Session 1: Global management and institutions for Arctic marine resources (Theme 1)**

Chair: Niels Vestergaard, University of Southern Denmark

**9:30 Joan Nymand Larsen, University of Akureyri, Iceland:** *Resource Stewards and Users in the New Arctic*

**9:55 Niels Einarsson, Stefansson Arctic Institute:** *Reflections on effectiveness and externalities of market-based fisheries governance systems in the Arctic.*

### **10:20 Panel: Global management and institutions for Arctic marine resources**

**Oran Young, University of California, Santa Barbara, Linda Fernandez, Virginia Commonwealth University, Brooks Kaiser and Niels Vestergaard, University of Southern Denmark**

11:00 Coffee

**11:25 Rasmus Gjedssø Bertelsen, Aalborg University, Denmark:** *Retreating sea ice and regulating doughnut holes in the Arctic Ocean: Arctic coastal state-Asian fishing state collaboration*

**11:50 Vincent Gallucci\*, University of Washington:** *A glimpse of the future of the Arctic: The Far East and an evolving Arctic Council.*

### **12:30 Lunch**

#### **Session 2: Resource stewards and users: local and indigenous co-management (Theme 2)**

Chair: Brooks Kaiser, University of Southern Denmark

**13:30 Parnuna Egede\*, Inuit Circumpolar Council – Greenland:** *Co-management in the making - Balancing knowledge-sharing with interests and conflicts*

**14:15 Jessica Shadian, University of Toronto:** *Hybrid Governance in the Arctic: Carving out a Political Space for Coastal Indigenous Communities in Arctic Emergency Preparedness and Response*

**14:40 Jamie Snook, Torngat Wildlife, Plants and Fisheries Secretariat:** *Resource stewards and users: local and indigenous co-management*

**15:05** *Coffee*

**15:35 Amalie Jessen, Ministry of Fisheries, Hunting and Agriculture - Government of Greenland:** *Co-management of Wildlife Resources in Greenland*

**16:20 Burton Ayles, Canada Member, Fisheries Joint Management Committee:** *Co-management of commercial fisheries in the Western Canadian Arctic: A new governance agreement for new and emerging fisheries.*

**16:45 Break**

Session 3: Development and Governance

Chair: Joan Nymand Larsen, University of Akureyri, Iceland

**17:00 Ryan Holmes, University of St Andrews, UK:** *A Sustainability Assessment of LNG as a Marine Fuel: A Development Opportunity for the Arctic?*

**17:25 Devon Thorsell, University of Washington:** *An Evaluation of Oil Pollution Prevention Strategies in the Arctic*

**17:50 Lessons on Global Arctic Governance and Development: Discussion of Strategy for Outreach and welcome reception**

**19:30 adjourn; dinner on your own**

Day 2: Thursday 15/10

Session 4: Governance gaps in Arctic marine resource management (Theme 3)

Chair: Melina Kourantidou, University of Southern Denmark

**9:00 Rosemary Rayfuse, University of New South Wales, Australia:** *Stewardship of the Central Arctic Ocean: The Arctic 5 versus the international community*

**9:45 Gunnar Sander, University of Tromsø - the Arctic University of Norway:** *Environmental assessments in the marine Arctic: current legal status and processes to address gaps globally and regionally*

**10:10 Kim Østergaard, Christian Frier, University of Southern Denmark:** *Legal Gaps in the New Arctic Regulatory Framework?*

**10:45** Coffee

**11:05 Tore Henriksen\*, University of Tromsø, Norway** *Arctic marine fisheries: Lessons learnt from the North-East Atlantic fisheries regimes?*

**11:50 Thorolfur Matthiasson, The University of Iceland:** *Profit and invisible resource rent in fisheries - revisited.*

**12:15 Thorir Sigurdsson, University of Akureyri, Iceland:** *A Historical Example of Fisheries Mismanagement: The Case of Atlanto-Scandian Herring*

**12:40** Lunch

**14:00** Field Trip aboard Rósin (return 5:00 PM)

**19:30** Dinner

Day 3: Friday 16/10

Session 5: Multi-scale, ecosystem-based, Arctic marine resource management (Theme 4)

Chair: Linda Fernandez, Virginia Commonwealth University

**9:00 Sue Moore\*, NOAA:** *Marine Mammals as Ecosystem Sentinels and Guides to Holistic Adaptive Management*

**9:45 Jared Woollacott, RTI International:** *The integrated assessment of critical ecosystem dynamics in marine fishery*

**10:10 Kathryn Friedman, University at Buffalo:** *Transboundary Governance Capacity (TGC) in the Arctic: Insights from the Laurentian Great Lakes*

**10:35 Coffee**

**11:00 Alan Haynie\*, NOAA Federal:** *Management, the environment, and fisher behavior: lessons from the United States Bering Sea*

**11:45 Jan Sundet\*, Institute of Marine Research, Tromsø:** *Having it both ways - the Norwegian management of the red king crab fishery*

**12:15 Final Panel: Agenda for the Future**

**Linda Fernandez, Brooks Kaiser, Melina Kourantidou, Niels Vestergaard**

**12:45 Conclusions and Sandwiches**
