Poster Printing and Presentation Requirements

- Participants are required to **print and bring their own posters** to the conference venue.
- The organizing committee will provide designated space and display boards for poster presentations.
- Authors are responsible for ensuring that their posters match the recommended dimensions and orientation.

- Poster mounting materials may be provided at the venue unless otherwise specified.

Presentation format

- For full paper presentations, authors will be given 4–5 minutes to present their poster, followed by a short question-and-answer session.
- For abstract presentations, the oral presentation time will be limited to 2 minutes.

Notes for Participants

Participants are encouraged to follow these recommendations unless specific formatting instructions are provided separately by the conference organizers.
