Dr Eiko Fried – *Understanding the clinical utility of symptom networks*

Call for Oral Papers and Posters:

The UKPTS welcomes abstract submissions for oral presentations and posters in line with the conference theme.

Abstracts can be submitted via email to admin@ukpts.co.uk by 5pm on Monday 5th December. Individuals will be informed of the outcome by Monday 19th December 2016.

Abstracts should be no more than 250 words and can be structured in the following way: *Background, Method, Results and Conclusions* but variations will be accepted for more clinically focused submissions.

Oral papers are expected to last for 15 minutes with 5 minutes for questions.

For any enquiries please email us at: admin@ukpts.co.uk or call UKPTS 01787 221294
