

PhD Defense by Jesper Berntsen

Title: **“Fault Detection of Rolling Element Bearings in a Full Scale Wind Turbine Test Bench”**

Date: 23 September 2022

Place: Ellehammer

Time: 12:30 PM

Chairperson: Associate Professor [Sine L. Wiggers](#)
SDU Mechanical Engineering
Department of Mechanical and Electrical Engineering, SDU

Supervisor: Associate Professor [Vikas Arora](#)
SDU Mechanical Engineering,
Department of Mechanical and Electrical Engineering, SDU

Co-supervisor: Professor [Anders Brandt](#), Head of Department,
Department of Mechanical and Production Engineering,
Aarhus University

Co-supervisor: Associate Professor [Konstantinos Gryllias](#),
Department of Mechanical Engineering, KU Leuven

Company supervisor: Torben Lorentzen, Lindø Offshore Renewables Center

Evaluation Committee: Associate Professor [Ivar Lund](#)
SDU Mechanical Engineering,
Department of Mechanical and Electrical Engineering, SDU

Professor, [Ilmar Ferreira Santos](#),
Department of Mechanical Engineering, DTU

Professor, [Jan Helsen](#)
Engineering Technology, Vrije University Brussels, Belgium
