

## PhD Defense by Jonas Gad Kjeld

Title: **“Methodology for Determination of Vibration Damping of an Offshore Wind Turbine Supporting Structure”**

Date: 28 June 2022

Place: Ellehammer

Time: 12:30 PM

Chairperson: Associate Professor [Sine L. Wiggers](#)  
SDU Mechanical Engineering,  
Department of Mechanical and Electrical Engineering, SDU

Supervisor: Associate Professor [Vikas Arora](#)  
SDU Mechanical Engineering,  
Department of Mechanical and Electrical Engineering, SDU

Co-supervisor: Professor [Anders Brandt](#), Head of Department,  
Department of Mechanical and Production Engineering,  
Aarhus University

Co-supervisor: Assistant Professor [Luis David A. Valencia](#)  
SDU Mechanical Engineering,  
Department of Mechanical and Electrical Engineering, SDU

Company supervisor: Jacob Karottki Falk Andersen  
Vattenfall Vindkraft A/S

Evaluation Committee: Associate Professor [Marie Lützen](#) (Chair)  
SDU Mechanical Engineering,  
Department of Mechanical and Electrical Engineering, SDU

Associate Professor [Stefano Manzoni](#)  
Department of mechanical engineering of Politecnico di Milano

Professor [Christos Thomas Georgakis](#)  
Department of Civil and Architectural Engineering –  
Structural Engineering, Aarhus University
