

# Åbent Hus / Study Try Out

SDU Sønderborg

1 February 2020, kl. 9:30-14

# Velkommen til åbent hus

## Få information og vejledning på standene

På stande opstillet ved indgangen til SDU Sønderborg, kan du møde repræsentanter fra humaniora, teknik og samfundsvidenskab. Her får du svar på dine spørgsmål om uddannelsens indhold, studielivet og meget andet. På studieservicestanden kan du høre om adgangskrav, optagelse, ansøgningsfrister, SU og meget mere. Herudover kan du møde repræsentanter fra SDU RIO, SDU Bibliotek, Intro Team SDU Sønderborg, Sønderborg Student Foundation, Sønderborg Kommune og Kollegiernes Kontor.

## Deltag i oplæg om uddannelser

Du kan deltage i oplæg om de enkelte uddannelser. Alle oplæg vil være på engelsk. Det er valgfrit, hvor mange oplæg du vil deltage i. Programmet for oplæggene ses på de følgende sider.

Har du på forhånd tilmeldt dig Study Try Out, er der fri forplejning.

## Kom med på rundvisning

Vi tilbyder en rundvisning med guide på SDU Sønderborg. De guidede rundvisninger starter kl. 10, 11, 12, 13 og 13.30.

# Welcome to Study Try Out

## Get information and counselling at the stands

The stands are located at the main entrance area of SDU Sønderborg. Here you can meet representatives from the Faculty of Business and Social Sciences, Humanities and Engineering. Learn more about the study programmes, content, student life in Sønderborg etc. At the Student Services stand, you can ask questions about the admission, entry requirements, application deadlines, the Danish State Grant (SU) and much more. You can also meet our career counsellors from SDU RIO, SDU Library, Intro Team at SDU Sønderborg, Sønderborg Student Foundation, Sønderborg Municipality and the local accommodation office, Kollegiernes Kontor.

## Participate in presentations about the programmes

If you have registered for the Study Try Out, you are registered for the first presentation up front. You choose yourself the following presentations you want to participate in. As a guest stopping by during the day, you do choose yourself which presentation you want to participate in. All presentations are held in English. Please find the programme on the following pages.
