

EU/EFTA School Leaving examinations

Check out which leaving examination, and which documents you must add to your application.

- > In general terms we always need documentation of your secondary school and grade transcripts of the last 3 years
- > If you have not finished your education yet, please also include documentation of courses you finish during your last semester together with the grade transcripts of the previous 2,5 years
- > On some occasions, we may need the course descriptions of those courses belonging to the entry requirements from the last 3 years of school as well. These may be requested after submission of your application.
- > All documents must be signed and verified and included both in native language and official translations
- > In case we need additional documentation, we will contact you
