

Title

Fashion, media and green transition

Educator

Name	Aron Grigoleit
Education	Design Leadership

Introduction to the teaching

Fashion, media, sustainability, eco-guilt, and reuse. You will get an insight into the jungle of the fashion and lifestyle industry. I will present you with tools to help you evaluate sustainability when upgrading your wardrobes with a new piece of clothing. However, the topic will mainly be about you, how businesses categorize you and trends, and why you should not feel eco-guilt – all this along with the solution hereof.
