

Enclosure regarding entrepreneurial activity

Please read the instructions below on how to fill in the enclosure prior to filling it out.

This enclosure must be filled out if you are applying for admission on a Master's programme (erhvervskandidat) and you own an entrepreneurial company and/or you are affiliated with an entrepreneurial milieu. The enclosure must be submitted when applying for the programme, cf. the Solemn declaration.

The enclosure must be filled out by the applicant.

The following must be filled out:

- Title of the desired Master's programme (erhvervskandidat)
- Information, including contact information, for the applicant and the entrepreneurial company
- A description of the company's area of business and primary field of work.
- Information about any affiliation with a public or private entrepreneurial milieu as well as contact information.
- Your signature to confirm the accuracy of the information given as well as the fact that your entrepreneurial company has revenue and activities that generate earnings or is affiliated with a public or private entrepreneurial milieu.

The company's area of business and primary field of work must be described before the university can assess whether the company's activities can be deemed relevant to the Master's programme (erhvervskandidat) that the applicant has applied for.

An additional requirement for the entrepreneurial companies is that they must either have revenue and activities that generate earnings or be affiliated with a public or private entrepreneurial milieu.

Please note that SDU must be able to obtain proof of the provided information.

Twice a year the university will obtain proof regarding the validity of the information.

Please save the document on your computer prior to filling it out.
