***Please read the instructions below on how to fill in the form on page 2 prior to filling it out.***

The solemn declaration must be submitted when you apply for admission to a Master's programme for working professionals. Missing the solemn declaration will mean that you cannot be admitted to the programme.

The declaration must only be filled out and signed by the applicant.

All spaces must be filled out, i.e.:

- Title of the desired Master's programme for working professionals
- The applicant's CPR number, name, address, and contact information

The applicant solemnly declares:

- To submit proof of relevant employment in a private or public company no later than one month prior to the start of the programme
- Obligation to inform SDU about significant changes to their employment for the duration of the programme

Significant changes in the employment can be, e.g., closing of the company, termination of the employment, significant changes in occupational tasks, or transition to another occupation that could mean that the occupational requirements for the Master's programme for working professionals are no longer met. If you do not inform SDU of the above-mentioned changes, it can result in you not being able to continue in Master's programme for working professionals.
