

Digital Democracy Centre × TrygFonden Fellowship Program

Application form

Preliminary project title

Brief project description and purpose (max 1000 characters)

Detailed description and timeline (max 2400 characters)

Description of specific activities and collaboration with external practice partners (max 1000 characters)
Expected 'product', impact, and output (max 500 characters)

Please list your agreed local confirmed SDU/DDC 'mentor' (applications without a confirmed mentor will automatically be rejected):

Please enclose a CV (max 5 pages) highlighting aspects relevant to the application

Please enclose a short overview of the budget items included in your application for which you would like to apply for fellowship support. Cost estimates are acceptable. Eligible items may include, for example, housing support for one person for three months, a return flight from X to Y, or catering and meeting rooms for a workshop with XX participants. Please read the budget guidelines linked in the call before preparing your budget.
