

Why do we need Responsible Drone Journalism?

Prof. Astrid Gynnild (Journalism and Media Studies, University of Bergen) will discuss opportunities and dilemmas of doing drone journalism in responsible manners.

What are the challenges of incorporating droning in the journalism toolbox? And why does society need responsible journalism approaches to covering drones as a news beat?

Nov 1, 2017 at SDU (Odense)
13:15 – 15:00 at Comenius

Organized:
