

News from TEK Research Support

Current funding opportunities May 2013

Content:

- **A selection of current funding opportunities**
- **Meeting: Danish National Research Foundation**
- **Newsletters**

TEK Research Support offer advice and support throughout the entire application process. We will be prepared to provide interested researchers with all the support needed in order to prepare their proposals. Please contact us to make arrangements!

For further information or easy access to funding deadlines and funding opportunities, visit our [web site](#). You also have the opportunity to subscribe to this newsletter by sending an email to: TEK-Research-support-news-subscribe@lists.sdu.dk

Best wishes

Søren Elmer Kristensen (sek@tek.sdu.dk, 6550 7491, 2440 8522)

Arne Bækdal Hansen (arbh@tek.sdu.dk, 6550 7355, 6011 1085)

Anne Kjærsgaard Øgendahl, (akoe@tek.sdu.dk, 6550 7365, 2137 9235)

Funding opportunities

- **Boehringer Ingelheim Fund**

The Boehringer Ingelheim Funds awards [PhD fellowships](#) to outstanding junior scientists (max. age: 27 years) who wish to pursue an ambitious PhD project of approximately 3 years in basic biomedical research in an internationally leading laboratory.

Deadline: June 1, 2013

- **The Novo Nordisk Foundation**

The Novo Nordisk Foundation (NNF) announces a grant program to fund [innovative biotechnology-based synthesis and production research](#). This program will support fundamental and applied research projects that are aimed at generating products in improved and more sustainable ways, such as:

- better use of inputs (raw materials, catalysts, cells, etc.)
- reduced energy consumption
- decreased waste generation
- increased productivity

Projects must involve a clear element of biotechnology, but they may utilize any other scientific and engineering disciplines.

Deadline: June 4, 2013 at 4PM.

- **ARTEMIS**

Grants for Joint Technology Initiatives ([ARTEMIS](#)) as part of the 7th Framework Program (FP7).

Deadline: June 6, 2013 at 5PM

- **The Lundbeck Foundation**

Nominations for: [The Lundbeck Foundation: Yngre forskerpris](#) - for talented researchers under the age of 40.

Nominations for: [The Lundbeck Foundation: Talentpriser](#) - for talented researchers under the age of 30.

Deadline: June 14, 2013 at 12 noon

- **EUPD**

[EUDP](#) (Energiteknologisk Udviklings- og Demonstrationsprogram) åbner for ansøgninger til særpuljer for bygningsintegrerede solceller (BIPV) samt til brintteknologier i energisystemet.

Deadline: June 14, 2013 at 3PM

- **Hedorfs Fonds Pris for Transportforskning 2013**

Indstilling af kandidater til [Hedorfs Fonds Pris for Transportforskning](#). Prisen er oprettet af Hedorfs Fond og uddeles i samarbejde med TØF (Transport Økonomisk Forening). Formålet med prisen er at bidrage til en øget forskningsindsats på transportområdet og uddeles som en anerkendelse til en internationalt anerkendt og etableret forsker, der har gjort sig særlig fortjent ved en betydelig indsats inden for udviklingen af transportområdet i Danmark. For yderligere information kontakt [TEK Forskerstøtte](#).

Deadline: June 17, 2013

- **Danish Agency for Science, Technology and Innovation**

This call invites joint research proposals within food science. For research topics, see [Brazilian-Danish strategic research cooperation within food science](#).

Deadline: July 1, 2013

- **Marie Curie Research Fellowships**

This is the last stage of the 7th Framework Program (FP7). You can see the open calls [here](#). For a short introduction to the different instruments, see [here](#).

Deadline: August 14, 2013.

- **The Danish National Advanced Technology Foundation: Project and platforms**

Focus is on the perfect match of companies and research for new advanced technology initiatives in Denmark. All [projects](#) which are relevant to advanced technological research and/or innovation may apply for grants.

Deadline for expression of interest: August 21, 2013 at 12 noon.

- **Eco-innovation (when business meets the environment)**

The European Commission grants up to 50% co-funding to finance green ideas. The call [CIP-EIP-ECO-INNOVATION](#) support projects in different sectors:

- Materials Recycling
- Sustainable Building Products
- Food and Drink Sector
- Water
- Greening businesses

Deadline: September 5, 2013 at 5PM

- **Ministry of Science, Innovation and Higher Education: The Industrial PhD Program**

A new and revised edition of the [Guidelines for the Industrial PhD Program](#) has been published.

Deadline: September 9, 2013 at 12 noon

- **The Co-operative Research Program**

OECD funding from [The Co-operative Research Program](#) on biological resources in agriculture:

1. Research Fellowships - Applications are invited from research scientists working in agriculture, forestry or fisheries and who would like to conduct research projects abroad, in another member country of the Co-operative Research Program.
2. Call for applications for funding international conferences (such as workshops, congresses and symposia).

Deadline: September 10, 2013

- **The Danish National Advanced Technology Foundation: Industrial postdoc projects**

This call concerns [industrial postdoc projects](#).

Deadline: October 23, 2013 at 12 noon

Meeting

- **Danish National Research Foundation – information meeting**

The Danish National Research Foundation (Danmarks Grundforskningsfond) conducts a meeting at University of Southern Denmark about the next call for Centers of Excellence in 2013.

Registration is not necessary.

Time: August 23, 2013 at 10.30-11.30

Location: University of Southern Denmark, Campusvej 55, room O100

Newsletters

- **2nd edition of “Brussels Science News for University of Southern Denmark”**
[Brussels Science News for University of Southern Denmark](#) is a monthly newsletter targeting SDU researchers, scientists, management and staff. The newsletter will focus on funding options, network events and partnership possibilities in the EU.
