The title of the profile is in Danish: Kandidatuddannelsen i Erhvervsøkonomi med profil i Strategic Entrepreneurship

The title of the profile is in English: Master of Science in Economic and Business Administration with profile in Strategic Entrepreneurship

2. Entry requirements to the profile and entrance through supplementary courses

2.1 BSc in Economics and Business Administration

The following apply as per September 1, 2013:

Applicants with a BSc in Economics and Business Administration from The University of Southern Denmark have the right to admission to this master programme within the first year after having completed the BSc

Other applicants having passed a BSc in Economics and Business Administration are qualified for admission to the master programme.

2.2 Other higher education

Applicants may be admitted to the programme on a different basis than the admission requirements set out in subsection 3.1 if the applicant possesses comparable academic qualifications and if the university deems that the applicant will be able to complete the programme. The university may stipulate that the applicant must pass supplementary tests prior to the time fixed for the start of the programme at the latest. Furthermore, the applicant must be able to document sufficient language requirements which the Faculty of Social Sciences has defined.

In order for a degree to be deemed as providing qualifications similar to those of the BSc programme in Economics and Business Administration, the applicant must have a bachelor degree from a university. The programme must include 75 ECTS courses covering the disciplines within economics and business administration.

This means that the following subjects must be included with the stipulated number of ECTS

- 1) 5 ECTS Microeconomics or Managerial Economics
- 2) 5 ECTS Accounting
- 3) 5 ECTS Corporate Finance
- 4) 5 ECTS Marketing
- 5) 5 ECTS Organizational Theory
- 6) 5 ECTS Statistics
- 7) 5 ECTS Theory of Science and Scientific Methodology and Methods from a university
- 8) 5 ECTS Methods for collection and analysis of data (qualitative or quantitative)
- 9) Additional 35 ECTS subject within the area of business economics and business administration

Enclosure to the curriculum for the Master of Science in Economics and Business Administration

Applicants with another basis for admission, for example a professional bachelor's degree from Denmark or another country may be admitted after an individual assessment concerning whether the degree is at a level equivalent to the above.

In case the above requirements are not fulfilled the applicant must pass additional examinations before study start in order for the applicant to obtain the qualifications similar to those of the admission requirements. Furthermore, the University may determine that the applicants is further examined before study start should it be considered necessary.

3. Description of the profile focus

Strategic Entrepreneurship

The focus of the profile is entrepreneurial activities in dynamic, complex and international contexts. Graduates have thorough knowledge of entrepreneurship, intrapreneurship and strategic management. As facilitators of entrepreneurial activities, they can establish the framework for managing, renewing and strategically developing activities with the aim to create/identify, evaluate and exploit new business opportunities. Moreover, the MScs can select and use appropriate scientific methods in their work. Drawing on study related case work, projects and internships, they have competences on how to handle entrepreneurial processes in practice in various organizational contexts such as new ventures/SMEs, large corporations, voluntary organizations and public sector organizations.

4. Other regulations

4.1 Language

The programme is offered in English.

The examinations are conducted in English or Danish. However, if the examiner and/or the external examiner are not Danish speakers the examination will always be conducted in English.

Teaching is in English in all compulsory subjects.

Similarly, examination of all compulsory subjects could only be taken in English.

4.2 Project-oriented studies and studying abroad

Project-oriented studies and studying abroad is recommended to take place in the 3rd semester of the programme.

3rd semester: The three options semester:

- Internship in a company/institution (Denmark or abroad) and project work *or*
- Studies abroad (International partner university or another international university) *or*
- Studies at the University of Southern Denmark or another Danish University
